C5565	5.5	6.5	11	32.8	1.2

vego garden ®

11 Inch Tall 10 In 1 Modular Metal Raised Bed
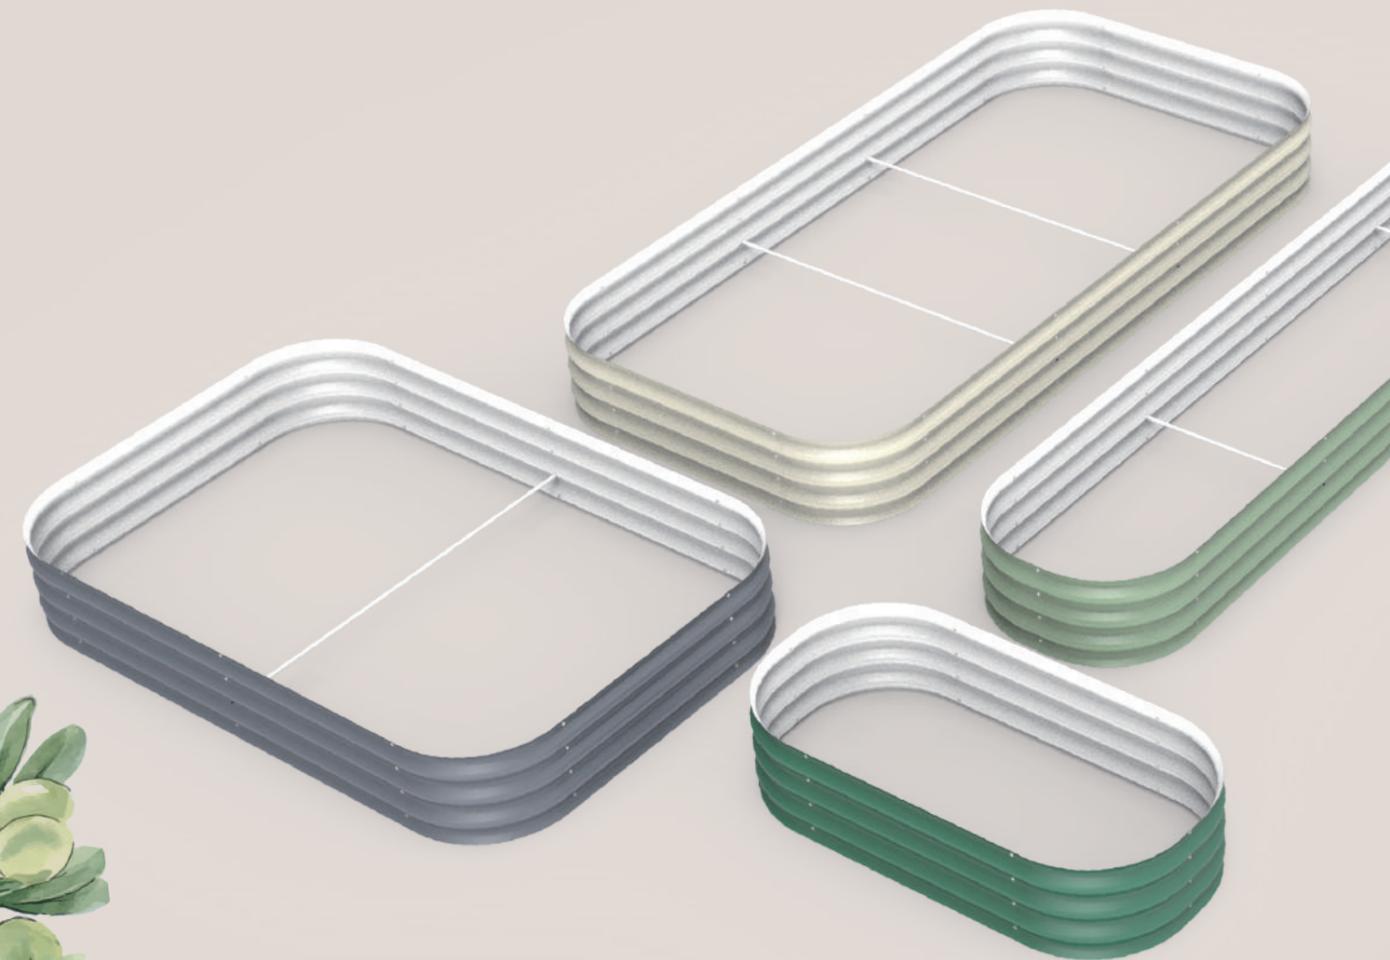

CAUTION: Please be aware the metal panels may have sharp edges that could cause injury. The use of protective equipment such as gloves and closed toe shoes is recommended.

CHOKING HAZARD: Small parts. Keep product away from children.

Push the safety edging along the top rolled steel edge, and cut the extra length off.

Congratulations on completing assembly! We are sure there are more configurations that you can build with your great imagination!

Bracing Rod Installation Guide

1 **Step 1**

Threaded Pin — Rod A

Rod B

Vego Garden bracing rods are used to reinforce the strength of oversized raised beds. For 2.5ft wide raised beds, use Rod A only; For 4ft wide raised beds, use the Threaded Pin to connect Rod A & Rod B.

2 **Step 2**

Bolt

Install the bracing rod between two parallel bolt holes. Attach bolt, panel, washer & rod loosely, making sure that the rod is connected in the **third** bolt hole from the top. Then tighten it up with the screwdriver for reinforcement of raised bed.

3 **Step 3**

Rod A

Rod B

4ft wide raised beds

Rod A

2.5ft wide raised beds
